Rhonda Allison’s Bronzed DN-Age Self Tanner, part of the Nude Therapies line, blends the power of nature and cutting-edge biotech ingredients to produce luscious, radiant skin with a long-lasting natural glow, while reversing the signs of sun damage and aging. Bronzed DN-Age combines natural protective ingredients, peptides and keto-sugars to protect the skin from photo-aging, revitalize and regenerate, reduce age spots and hyperpigmentation, and firm and tone, while creating a youthful, bronzed glow.
